We are pleased to offer our 2nd Spring Coyote Elite Soccer Academy. Our goal this season, just in each of the other seasons, is to offer a more competitive and challenging environment for the development of young soccer players who have the desire to grow, develop, and improve as a player.

Our Elite Academy will emphasize age appropriate advanced technical, psychological, fitness, and tactical understanding necessary to prepare you to play at a higher level of soccer. Field players and goalkeepers will be trained by the South Dakota soccer staff and exposed to a training atmosphere that is unique to the Coyote soccer program. We strive to offer the best experience available for young players.

Please join us for a great Spring of soccer!
